TEACHES ENGLISH AS A FOREIGN LANGUAGE - [VIEW DETAILED PROFILE](#)

<p><b>LOCATION</b> Donato is a small farming village in the pre-Alps, near the Swiss and French borders. It is close to some of the Alps' highest mountains and several National Parks. It has two shops, a post office, a bank with a cash machine and a small play ground. It's perfect for those who enjoy nature, tranquility and mountain sports. The village is a sunny and panoramic balcony over the plains below to the south. It's very green with many lakes, forests, rivers and footpaths to enjoy. There are also near-by areas of historical and geological interest, including castles, churches and Europe's longest glacial moraine. Donato is 20 minutes drive from the nearest small cities of Biella and Ivrea.</p>		<p><b>QUALIFICATIONS</b></p> <p>CELTA - CERTIFICATE IN ENGLISH LANGUAGE TEACHING TO ADULTS -</p> <p>BSC NATURAL ENVIRONMENTAL SCIENCE</p>
