<p>LOCATION We are in a small town, one of the famous Castelli(Castle)hill towns(600m), 25km south of the centre Rome. The town offers some good local restaurants and a pretty historical centre. There are lovely walks from the town centre up to a large natural area, where there are the fascinating Roman ruins of Tuscolo. A 10 minute bus ride takes you to the larger Castelli of Frascati, with museums, Renaissance villas and parks to visit. Frascati is also a good place for shopping, sports facilities, high quality food and wine and for cultural events. It a good place to have an evening walk, take an ice cream and watch the sunset overlooking Rome. Slightly longer trips can be made to other Castelli, overlooking 2 volcanic lakes. The other main benefit of this location is easy access to Rome, the quickest and easiest way is a 30mins train ride. From Termini station in Rome you are well placed to visit any of Rome's many sites for either a full or half a day.</p>		<p>QUALIFICATIONS CELTA - CERTIFICATE IN ENGLISH LANGUAGE TEACHING TO ADULTS BA ENGLISH & PHILOSOPHY</p>
