**MEALS:** 3 I am the cook of the household and I am not a big meat-eater so I rarely cook meat. I do, however, prepare chicken on a regular basis for meals and our egg supply is plentiful so we often eat eggs for protein. I lived with a chef in Italy for a number of years and learned to cook wonderful pasta dishes. We eat lots of pasta and vegetables!

**CREATIVE OPTIONS:** sketching and painting.

**FRIENDS AND FAMILY WHO CAN CONVERSE WITH STUDENT:** -My husband has a vegetable garden in our back yard that keeps him busy. He also enjoys photography (he has a Master of Fine Arts in Photography) and is a real history buff. He often takes friends and family on tours of local sites. Our older daughter loves to read, write and do pottery. Our younger daughter enjoys music and hanging out with her friends, and is a dedicated dancer (ballet, pointe, jazz, tap).

**ACTIVE OPTIONS:** hiking, biking, walking and running
