LOCATION - We are located in a small city on the sea, we are very central and 2 mins walk from main shopping areas, supermarket and the port. There are frequent buses to beaches. We are a short train ride away from Le Cinque Terre (5 villages) and there are lot of walks to do there. (which we also love doing) There is an International Cinema which shows English movies sometimes. There are a lot of festivals around the area which are easy to visit. We have at home quite a few English DVD's and are always buying more. We are close to Pisa, Florence, Parma and Genova which can easily be reached by train or car. We normally get around the city on bikes which we can supply depending on how old the student is.
