

BUSINESS ENGLISH

Our Business English Courses will greatly assist you with the English language you require for:

- business meetings,
- presentations,
- negotiations with colleagues,
- entertaining clients
- representing your organization
- describing your organization.

ENGLISH FOR HUMAN RESOURCES

This course will provide you with the English language skills needed to perform in a variety of work situations, including:

- interviewing techniques,
- recruiting,
- communicating with applicants,
- conducting appraisals,
- participating in meetings and using the telephone.

SALES AND MARKETING

- Our Sales and Marketing English language courses include a communication skills programme aimed at improving your ability to build and develop successful international commercial relationships.

SALES AND MARKETING

- Delivered by professionals with many years of experience in international commerce, this specialist English language course focuses on developing your skills within a sales and marketing context, using authentic scenarios to ensure effective and tangible results.
- Our personalised Sales and Marketing language courses allow you to decide on the emphasis and structure of your course.

SALES AND MARKETING

- English for Sales and Marketing is aimed at business development professionals, international account managers, sales managers and marketers and any professionals working in international sales and marketing who require English to present, conduct negotiations and maintain effective communication with their international colleagues and clients.

TECHNICAL ENGLISH

- Technical English courses as well as helping you to understand technical documentation in your area of expertise can also assist you in communicating with colleagues working on similar projects.
- The course can help you to improve on specialised vocabulary and your understanding of the underlying grammar commonly used by technical writers.
