WHAT ARE LANGUAGE AND CULTURE COURSES?

IMPROVE YOUR FLUENCY ON HOLIDAY

How would you like to get out of the classroom and into the real world where you can speak the language that you have been learning for some time now or even if you a beginner? How often have you discovered that on the rare occasions when you have the opportunity to talk to a native speaker in a real live situation you are dumbstruck and your mind's a blank?

Well then the ideal solution is to go on one of European Homestay's Language and Culture holidays where you will have a personal teacher who will not only guide you through conversations with local people but will also be available to converse with you thereby helping you with your fluency.

Furthermore your teacher can assist you with vocabulary and grammar, take you sightseeing and introduce you to a skill or talent. This all in one package includes endless hours of conversation, learning a new skill or talent, full board and lodging in a comfortable home with beautiful surroundings and language guidance by a qualified teacher. Languages available are English, French, Spanish, Portuguese and Italian. These holidays are suitable for people of all ages and can be enjoyed by individuals, couples and small groups.
